

# Satanic Surfers, The Ballad Of Gonzo Babbleshit

The boss told the worker should be glad that he's got a job  
There's a lot of people out there who in fact do not  
So don't join the union boy, "is that an implicit threat?"  
Set us up 'gainst each other, divide and conquer, fire me if you want but I won't back down, it just a  
So the boss pays on of his employees a little bit more, "keep an eye on the others" but  
(Will never be invaded)  
Yeah, the workers united  
(Will never be invaded)  
So fuck you very much  
Yeah, fuck you very much indeed  
That's the story so far of Gonzo Babbleshit [x2]  
So don't join the union boy, "is that an implicit threat?"  
Set us up 'gainst each other, divide and conquer, fire me if you want but I won't back down, it just a
