

# Satanic Surfers, Up For Sale

Sings us to sleep they've written a song for the masses  
to hum a rabble thought to dance to a mind numbing rhythm  
moving their feet to the beat of a drum sing us to sleep and  
fuck us over create a new market increase the demand for  
some useless product who no one really needs sell us a  
lifestyle a new personality for every occasion sell us a lifestyle  
punk rocks for sale at your nearest gas station all our ideals  
are up for sale to the highest bidder commercialized misused  
abused and thrown you with the rest of the litter sing us  
to sleep and fuck us over
