

Satellite Party, Kinky

Start it up, you follow me.
Starring in, a nudie scene.
The devil is, corrupting us,
Tell me dear, do you trust enough... to be?

Kinky.
So damn,
kinky.
Oooh wanna be,
Kinky,
Ya, say it.

Is the door locked?
Put the chain through.
It's my birthday, i'm in my birthday suit.
We are, fresh berries, dip us in, chocolate,
Stripped and strewn around the room,
Whatever's in your closet, set it free, I want to be.

Kinky.
So damn,
Kinky.
Oooh wanna be,
Kinky,
Ya, say it.

We are, fresh berries, dip us in, chocolate,
Stripped and strewn around the room,
Whatever's in your closet, set it free,

Kinky.
So damn,
Kinky.
So damn.
Kinky,
Ya, say it.

(My starlet, come to me, come to me, ooh I wanna get kinky, ya, whoo, kinky)
