

Saturday Looks Good To Me, Keep Walking

Just keep walking
Because it won't be worth your time tonight
I'm not listening
It seems like you only ever want to say goodbye
And I feel it every time that you walk into a room
Lights start flashing inside my head
I can't get past all the things you said
I believed in
Even though I knew they just couldn't be true
Not coming from you

Don't start acting like you're the only one who ever cried
There's someone just like you
For every burned-out building filling up the sky
I feel it every time that you walk into a room
It's so hard to stay in love when
you can't trust anyone.
