Savage Garden, Break Me, Shake Me

I never thought I'd change my opinion again But you moved me in a way that I've never known You moved me in a way that I've never known

But straight away you just moved into position again You abused me in a way that I've never known You abused me in a way that I've never known

So break me shake me hate me take me over When the madness stops then you will be alone Just break me shake me hate me take me over When the madness stops then you will be alone

So you're the kind who deals with the games in the mind Well you confuse me in a way that I've never known You confuse me in a way that I've never known

So break me shake me hate me take me over When the madness stops then you will be alone Just break me shake me hate me take me over When the madness stops then you will be alone

She says, "I can help you, but what do you say? But it's not free baby, you'll have to pay." You just keep me contemplating that your soul is slowly fading

God don't you know that I live with a ton of regret? 'Cause I used to move you in a way that you've never known But then I accused you in a way that you've never known But you hurt me in a way that I've never known...

Break me shake me hate me take me over When the madness stops then you will be alone Just break me shake me hate me take me over When the madness stops then you will be alone (Listen, baby) You'll be, you'll be alone Break me shake me hate me take me make me Fake me break me shake me hate me take me Break me
