

# Savage Garden, I Knew I Love You

Maybe it's intuition  
But some things you just don't question  
Like in your eyes  
I see my future in an instant  
And there it goes  
I think I've found my best friend

I know that it might sound more than a little crazy  
But I believe

I knew I loved you before I met you  
I think I dreamed you into life  
I knew I loved you before I met you  
I have been waiting all my life

There's just no rhyme or reason  
Only this sense of completion  
And in your eyes  
I see the missing pieces  
I'm searching for  
I think I've found my way home

I know that it might sound more than a little crazy  
But I believe

I knew I loved you before I met you  
I think I dreamed you into life  
I knew I loved you before I met you  
I have been waiting all my life

A thousand angels dance around you  
I am complete now that I've found you

I knew I loved you before I met you  
I think I dreamed you into life  
I knew I loved you before I met you  
I have been waiting all my life
