Savage Garden, I Knew I Love You

Maybe it's intuition But some things you just don't question Like in your eyes I see my future in an instant And there it goes I think I've found my best friend

I know that it might sound more than a little crazy But I believe

I knew I loved you before I met you I think I dreamed you into life I knew I loved you before I met you I have been waiting all my life

There's just no rhyme or reason Only this sense of completion And in your eyes I see the missing pieces I'm searching for I think I've found my way home

I know that it might sound more than a little crazy But I believe

I knew I loved you before I met you I think I dreamed you into life I knew I loved you before I met you I have been waiting all my life

A thousand angels dance around you I am complete now that I've found you

I knew I loved you before I met you I think I dreamed you into life I knew I loved you before I met you I have been waiting all my life
