

# Savage Garden, Insatiable

When the moonlight crawls along the street  
Chasing away the summer heat  
Footsteps outside somewhere below  
The world revolves, I'd let it go  
We build our church above the street  
We practice love between these sheets  
The candy sweetness scent of you  
It bathes my skin, I'm stained in you  
And all I have to do is hold you  
There's a racing within my heart  
And I am barely touching you

Chorus:

Turn the lights down low

Take it off

Let me show

My love for you

Insatiable

Turn me on

Never stop

Wanna taste every drop

My love for you

Insatiable

The moonlight plays upon your skin

A kiss that lingers takes me in

I fall asleep inside of you

There are no words

There's only truth

Breathe in Breathe out

There is no sound

We move together up and down

We levitate our bodies soar

Our feet don't even touch the floor

But nobody knows you like I do

The world doesn't understand

That I grow stronger in your hands

Chorus 2 times

We never sleep we're always holdin' hands

Kissin' for hours talkin' and makin' plans

I feel like a better man

Just being in the same room

We never sleep there's just so much to do

So much to say

can't close my eyes when I'm with you

Insatiable the way I'm lovin' you

Chorus 2 times
