

Savage Garden, Keep Moving On

and she takes another step
slowly she opens the door
check that he is sleeping
pick up all the broken glass and furniture on the floor
been up half the night screaming
now it's time to get away
pack up all the kids in the car
another bruise to try to hide
another alibi to write
another ditch in the road
you keep moving
another stop sign
you keep moving on
and the years go by so fast
wonder how i ever made it through
there are children to think of
baby's asleep in the back seat
wonder how they'll ever make it
through this living nightmare
but the mind is an amazing thing
full of candy dreams and new toys
and another cheap hotel
two beds and a coffee machine
but there are groceries to buy
and she knows she'll have to go home
another ditch in the road
you keep moving
another stop sign
you keep moving on
and the years go by so fast
wonder how i ever made it through
another bruise to try and hide
another alibi to write
another lonely highway in the black of night
there's hope in the darkness
and you know you're going to make it
another ditch in the road
you keep moving
another stop sign
you keep moving on
and the years go by so fast
selling fortress built to last
wonder how i ever made it
(oooooh mmmmm)
