Savage Garden, The Animal Song

When superstars and cannonballs are running through your head A television freak show cops and robbers everywhere Subway makes me nervous, people pushing me too far I've got to break away So take my hand now

[Chorus:]
'Cause I want to live like animals
Careless and free like animals
I want to live
I want to run through the jungle
The wind in my hair and the sand at my feet

I've been having difficulties keeping to myself Feelings and emotions better left up on the shelf Animals and children tell the truth, they never lie Which one is more human There's a thought, now you decide

Compassion in the jungle Compassion in your hands, yeah Would you like to make a run for it Would you like to take my hand, yeah

[chorus]

Sometimes this life can get you down It's so confusing There's so many rules to follow And I feel it 'Cause I just run away in my mind

Superstars and cannonballs running through your head Television freak show cops and robbers everywhere Animals and children tell the truth, they never lie Which one is more human There's a thought, now you decide

Compassion in the jungle Compassion in your hands, yeah Would you like to make a run for it Would you like to take my hand, yeah

[repeat chorus to fade]
