Savage Garden, The Best Thing

Never want to fly Never want to leave Never want to say what you mean to me Never want to run Frightened to believe You're the best thing about me

Sometimes I feel like this is only chemistry
Stuck in a maze searching for a way to
Shut down turn around feel the ground beneath me
You're so close where do you end where do I begin?
Always pushing and pulling
Sometimes sanity takes vacation time on me
I'm in a daze stumbling bewildered
North of gravity head up in the stratosphere
You and I roller coaster riding love
You're the center of adrenaline
And I'm beginning to understand

Never want to fly Never want to leave Never want to say what you mean to me Never want to run Frightened to believe You're the best thing about me

Walk on broken glass make my way through fire These are the things I would do for love Farewell peace of mind kiss goodbye to reason Up is down the impossible occurs each day This intoxication thrills me I only pray it doesn't kill me

Never want to fly
Never want to leave
Never want to say what you mean to me
Never want to run
Frightened to believe
You're the best thing about me

You're the center of adrenaline
And I'm beginning to understand
You could be the best thing about me

Never want to fly
Never want to leave
Never want to say what you mean to me
Never want to run
Frightened to believe
You're the best thing about me

You could be the best thing about me What if you're the best thing about me?
