

Savage Garden, You Can Still Be Free

Cool breeze and autumn leaves
Slow motion daylight
A lone pair of watchful eyes
Oversee the living
Feel the presence all around
A tortured soul
A wound unhealing
No regrets or promises
The past is gone
But you can still be free
If time will set you free
Time now to spread your wings
To take to flight
The life endeavour
Aim for the burning sun
You're trapped inside
But you can still be free
If time will set you free
But it's a long long way to go

Keep moving way up high
You see the light
It shines forever
Sail through the crimson skies
The purest light
The light that sets you free
If time will set you free

Sail through the wind and rain tonight
You're free to fly tonight
And you can still be free
If time will set you free
And going higher than the mountain tops
And go high like the wind don't stop
And go high
Free to fly tonight
Free to fly tonight
