

Savages, She will

She will enter the room
She will enter the bed
She will talk like a friend
She will kiss like a man
She will fuck other man
She will come back again
Get hooked on loving hard,
Forcing the slut out!

Yeah, you'll got to get used to it
And get your heart a little kick!
She will, she will /14x
Oh, oh, oh, oh

She'll look in the heart
She will look in the lips
She will chose to ignite
And never to extinguish!
She will forgive her pain
Get hooked on loving hard,
Forcing the slut out!
Oh, oh, oh, oh

Yeah, you'll got to get used to it
And get your heart a little kick!
She will, she will /14x
Oh, oh, oh, oh
