

# Savages, The Answer

if you don't love me  
you don't love anybody  
If you don't love me  
You don't love anybody  
Ain't you glad it's you?

Ain't you glad it's you?

there are things I know we should  
better not do but I know you could  
sleep with me  
and we'd still be friends  
or I know  
I'll go insane

Love is the answer  
I'll go insane  
Love is the answer

wish me luck  
this was a hard year  
and I can't see  
no brighter future  
wish me luck  
I saw the answer  
it was a girl  
will you go ask her  
I saw the answer  
Will you go ask her  
Love is the answer

I'll go insane  
I'll go insane  
I'll go insane  
I'll go insane

please stand up  
what is the point  
to cry for life  
to cry about love  
to wait for her  
to wait for dying  
I can't wait  
I saw the answer  
will you go ask her?
