## Savages, The Answer

if you don't love me you don't love anybody If you don't love me You don't love anybody Ain't you glad it's you? Ain't you glad it's you? Ain't you glad it's you?

there are things I know we should better not do but I know you could sleep with me and we'd still be friends or I know I'll go insane

Love is the answer I'll go insane Love is the answer

wish me luck this was a hard year and I can't see no brighter future wish me luck I saw the answer it was a girl will you go ask her I saw the answer Will you go ask her Love is the answer

I'll go insane I'll go insane I'll go insane I'll go insane

please stand up what is the point to cry for life to cry about love to wait for her to wait for dying I can't wait I saw the answer will you go ask her? Will you go ask her

if you don't love me you don't love anybody If you don't love me You don't love anybody Ain't you glad it's you? Ain't you glad it's you? Ain't you glad it's you?

if you don't love me...
