

Savannah Outen, This song for you

I'd like to say, Thank You!
That's why I'm singing this song for all of you.
I want you to know that because of you
my dreams are coming true.
It all started with something small
but now I've got it all.
It's all because of you.
It all started with one year
and now my dreams are crystal clear
You all mean so much to me
and I wanted you all to see
how much you all mean to me.
You know my life wouldn't be
anything, without you.
This song's for you, this song's for you
If it weren't for you
I wouldn't be where I am today.
All I've got to say is, Thank You!
It's been a year now
and everything's so clear.
This is my dream and now it's finally becoming real.
It all started with one year
and now my dreams are crystal clear.
You all mean so much to me
and I wanted you all to see
how much you all mean to me.
You know my life wouldn't be
anything without you.
This song's for you. This song's for you.
This song's for you.
