Savannah Outen, What if I said

Last chance, refuse to take it
I don't know what's going on
It's the way we used to be
I wish I knew where we went wrong
So what if I said
We have nothing to lose
If I say it first
Then will you say it too
If it puts us back together again
I'll say it, I'm sorry
I hope you'll call me up tonight
And tell me that you feel the same
I just wanna laugh again
I'll do whatever it might take
You were always there for me
And I was always there for you
All this silence it's too much
I'm telling you I've had enough
I wanna break it
I wanna break it
