

# Savatage, Heal My Soul

I've been waiting,  
Long forgotten  
Shipwrecked on a distant shore.

Am I drifting,  
No more wanted  
Floating outward evermore?

All the dreams that  
I have harbored  
In the labyrinth  
Of my soul

Gone forever?  
Not discarded?  
Only sleeping  
'Til they're whole.

In the graveyard  
Of my heart now  
Sleep the years that  
I've long sold.

For their markers  
Is there nothing?  
Only ghosts I cannot hold.

Father, hear me.  
I am tired.  
Shall I waken in thy home?

Hold me close now.  
I am trying.  
Sweet Lord Jesus,  
Heal my soul.
