

Savatage, Somewhere In Time / Believe

Somewhere In Time

So what can I tell you
If life's the length of this play
Perhaps God gave the answers
To those with nothing to say

The years are forgiven
If God's forgiving and kind
Perhaps we'll all find the answers
Somewhere in time
Somewhere in time

I've been changing
Redefining
All the things I thought I knew
So long ago
When I was flying
Through the years that seem so far away

In the back of a reason
In the back of my mind
Where I've piled up the seasons
That I've traded for time

I've been grasping at rainbows
Hanging on till the end
But the rain is so real lord
And the rainbows pretend
The rainbows pretend

I've been changing
Redefining
All the things I thought I knew
So long ago
When I was flying
Through the years
That seem so far away

Believe

So after all these one night stands
You've ended up with heart in hand
A child alone
On your own
Retreating
Regretful for the things you're not
And all dreams you haven't got
Without a home
A heart of stone
Lies bleeding

And for all the roads you followed
And for all you did not find
And for all the things you had to leave behind

I am the way
I am the light
I am the dark inside the night
I hear your hopes
I feel your dreams
And in the dark
I hear your screams

Don't turn away
Just take my hand
And when you make your final stand
I'll be right there
I'll never leave
All I ask of you
Believe
Your childhood eyes were so intense
While bartering your innocence
For bits of string
Grown-up wings
You needed

But when you had to add them up
You found that they were not enough
To get you in
Pay for sins repeated

And for all the years you borrowed
And for all the tears you cried
And for all the fears you had to keep inside

I am the way
I am the light
I am the dark inside the night
I hear your hopes
I feel your dreams
And in the dark
I hear your screams
Don't turn away
Just take my hand
And when you make your final stand
I'll be right there
I'll never leave
And all I ask of you is
Believe

I never wanted to know
Never wanted to see
I wasted my time
Till time wasted me
Never wanted to go
Always wanted to stay
'Cause the person I am
Are the parts that I play
So I plot and I plan
Hope and I scheme
To the lure of a night
Filled with unfinished dreams
And I'm holding on tight
To a world gone astray
As they charge me for years
I can't pay

I am the way
I am the light
I am the dark inside the night
I hear your hopes
I feel your dreams
And in the dark
I hear your screams Don't turn away
Just take my hand
And when you make your final stand
I'll be right there
I'll never leave

And all I ask of you is
Believe

Believe
