

Save Ferris, You & Me

Baby I use to think I loved you so
But now I met someone new and I really just don't know
And I've tried to let you know just how I feel
But somehow my emotions mixed up what was fake and real

[chorus]:
Cause you and me
We used to be so good
And things don't seem to be just like they should
And I would never try to hurt you so

But now it's time for me to try to let you go

Now it's time for me to say good-bye
And I know I probably could have told you lots of lies
But I've always tried to do just what was best
And I never meant for your poor heart to go through all this mess
