

# Saving Jane, What I Didn't Say

Secrets told in the pictures on your skin  
Hours fade into days that never end  
I see myself reflected in your eyes  
And I hate the way I'm wearing all these lies

[CHORUS:]

So I let you go  
And I watch you leave  
And I hold my breath  
So you don't hear me scream  
When you walk away  
But the words are only in my head  
It's not what I said  
It's what I didn't say  
Is she everything you wanted her to be?  
Yeah, I bet she never breaks your heart like me  
So it's one more night I cover up with you  
And I hate myself for what I didn't do

[CHORUS]

Should've known better, now  
All I have left is a permanent stain  
The only part of you I get to keep forever  
To prove I lived this pain  
Maybe I was never as smart as I thought  
Maybe we can never be as good as we want  
Maybe you just didn't need me enough  
Maybe we're too clever to be falling in love like this  
Like this  
Secrets told in the silence of my sin  
And I'm the one who loses in the end
