

# Saving Jane, You Say

I've been calling and calling for you  
But you answer and I shut my mouth  
I've been searching and and searching for you, but myself I don't want to be found.  
You say I am  
You say let go  
You say believe  
But it's not that easy for me

You say right now  
Don't you see your already one foot at the ground  
You say  
I've been wicked and wild and wrong and I've wondered the price of my shame.  
I've been hiding my face for so long it's a wonder that you know my name.  
You say come home  
You say I'm here  
You say there's some things you just can't control.  
You say let me

Why do you search for the answers you already know?  
You say  
I am the way  
and the light and the truth  
Don't be mislead by the flight of your youth.  
Have faith in the things you can't see to believe.  
what if you had faith in me?  
You say rest here  
This is your home.  
Don't you see that you knew I was here all along?  
You see
