

Savoy, BOTTOMLESS PIT

You say it wouldn't work

it wouldn't take

it wouldn't do any good

it wouldn't change a thing

and I being I

can't say much to deny it

but I'm stuck with an urge

to only have tried it

you say it wouldn't do

it wouldn't shake

it wouldn't make any waves

it wouldn't be no use

and you being you

you know sure how to phrase it

and I being I

I just have to embrace it....

Don't I

you say it wouldn't breathe

it wouldn't move

it wouldn't stay in the groove< BR>it wouldn't stand a chance

you say it wouldn't wash

it wouldn't wear

it wouldn't go anywhere

it wouldn't do it for you

you say it wouldn't float

it wouldn't stick

it wouldn't sink like a brick

in a bottomless pit
