

# Savoy Brown, Just Cos' You Got The Blues Don't

Your friends may see you crying  
and ask you why you're sad  
they may think you've been lying  
and peg you "Mr. Bad"  
They think they're being helpful  
by offering good advice  
you just do your best  
just trying to be nice

Just 'cos you got the blues  
don't mean you gotta sing  
Hey Be yourself and do your thing

The moon goes down at midnight  
don't mean the end of the day  
you ring the phone don't answer  
don't mean she's gone away  
But tim just keeps on moving  
and that's one thing for sure  
so babe just keep on grooving  
you know you'll walk no more

just 'cos...
