

Savoy, Hey Luchie

Hey Luchie,
Your day will come soon
Hey Luchie,
Your talents in bloom

Say can you see, how
Good it will be
If you want me, I'll
Never go far
Hey Luchie, the way
That you are

Hey can you see,
How good it will be
Bad things ain't gonna
Happen twice
Now I wouldn't tell you lies

Sad things ain't gonna
Happen twice
Let nobody tell
You othetwise

Hey Lichie,
You'll make out allright
Hey, Luchie,
Your star shining bright
Say can you see
How good it will be ...
