

Savoy, Tears From Stone

In the dawning hour
Break of day
Strikes an old church tower
A mile away
From a song
We'll be mining
Tears from a stone

As the morning daylight
Enters here
We'll be adding curses
To a prayer
Taking notes down
As we go along
Yeah, we'll be mining
Tears from a stone

Yoi shoot the blame out
Like a star
That never asked us
Who we are
You shoot a wish out
To the sky
It never asked us
Where we hide
...where we hide
