

Saxon, Rock City

Drive time, prime time
Your time, my time
You better get ready, ready to rock

DJ, VJ,
Radio, Video
Crank it up Mama, the time is right

AM, FM
It's your choice
Looking for the rockshow, make some noise
Play some crazy rock 'n' roll
Don't stop now, just give me more

You want it, we got it (*)
Rock City

Nightlife, streetlife
My life, your life
Rockin' the airwaves, all night long

Hi-fi, Sci-fi
Hear my words
We've been a long time coming, but we're here at last

Dream out, scream out
Jam out, rock out
I hear guitars screaming in my head
Play some crazy rock 'n' roll
Don't stop now, just give me more

(Repeat *)
