

# Say Anything, Admit It

ADMIT IT! Despite your pseudo-bohemian appearance and vaguely leftist doctrine of beliefs, you know  
Yeah, what do you have to say for yourself?  
Woah, Woah, Woah!  
Yeah, what do you have to say for yourself?  
Woah, Woah, Woah!  
You spend your time sitting in circles with your friends, pontificating to each other, forever competing  
When you walk by a group of quote-unquote normal people you chuckle to yourself, patting yourself  
Yeah, what do you have to say for yourself?  
Woah, Woah, Woah!  
Yeah, what do you have to say for yourself?  
Woah, Woah, Woah!  
Cause I'm proud of my life and the things that I have done, proud of myself and the loner I've become  
Well let me tell you this, I am shamelessly self-involved. I spend hours in front of the mirror making  
Yeah, what do you have to say for yourself?  
Woah, Woah, Woah!  
Yeah, what do you have to say for yourself?  
Woah, Woah, Woah!  
I'm proud of my life and the things that I have done, proud of myself and the loner I've become. You  
I drift, drift, drift, drift, drift, yeah  
I drift, drift, drift, drift, drift, yeah oh  
And I am done with this,  
I wanna taste the breeze of every great city ,  
My car and my guitar,  
My car and my guitar,  
So you'll come to be, made of these urges unfulfilled,  
Oh no, no, no, no, no,  
When I'm dead I'll rest,  
When I'm dead I'll rest, lay still,  
When I'm dead I'll rest, I'll rest,  
When I'm dead I'll rest, I'll rest,  
When I'm dead I'll rest, I'll rest,  
When I'm dead I'll rest, I'll rest,  
When I'm dead I'll rest, I'll rest,
