

Say Anything, Spider Song

No more promises
I have made them before and broken them
Give me the go ahead
And I'll undress myself for you if you're at all interested
I'm growing legs
I'm the spider
I'm the spider
I'm growing legs
I'm the spider
I'm the spider
Crawl inside her
I am the
Hey!
Oh, I know your pain (Oh, I feel you baby)
You like I scared plagued by the flies up in your brain
I'm creeping up your veins
Are you smart enough and small enough to play this game?
I'm growing legs
I'm the spider
I'm the spider
I'm growing legs
I'm the spider
I'm the spider
Crawl inside her
I'm the
Oh!
Doo doo doo doo doo
I better watch my back around you
You've got the moves, the shoes, the 'do, you've got me
O ho no no no
I want you to know I want to
You've got those tired eyes all the time
You've got those tired eyes all the time
You've got those tired eyes all the time
Yeah, you need someone to bring you to bed
Woah
I'm growing legs (I want you, you know I want to)
I'm the spider
I'm the spider
I'm growing legs (I want you, you know I want to)
I'm the spider
I'm the spider
I'm the spider
Yeah!
Fuck shit up!
I am too afraid to like you
I can't find a word to speak
If I could I'd talk so good that you would be with me
I am cold, too cool to call you
Far too stoned to leave my bed
I'll write this song to win your kiss but stay asleep instead
