Say Anything, Wow, I Can Be Sexual Too

If i die and go to hell real soon it will appear to me as... this room if for enternity i lay in bed in my boxers half stoned with the pillow under my head

i'd be chatting on the interweb maggots pray upon the living dead i had no interest in the things she said on the phone every day i'll permanently hit the hay

i called her on the phone and she touched herself she touched herself she touched herself

i called her on the phone and she touched herself i laughed myself to sleep

at this rate i'll be heading for electric chairs i'm only human with my cross to bear

when she described her underwear i forgot all the rules my rabbi taught me in the old shul

you're too young to be this empty girl i'll prepare you for this sick dark world i know that you'll be my downfall

but i call and i call and i call

i called her on the phone and she touched herself she touched herself she touched herself

i called her on the phone and she touched herself i laughed myself to sleep

i don't know what i want i don't know what i want i don't know what i want i don't know what i want

i don't know what i want (i met you on the internet)

i don't know what i want (the interweb)

i don't know what i want (i met you on the internet)

i don't know what i want (the interweb)

i called her on the phone and she touched herself she touched herself she touched herself

i called her on the phone and she touched herself i laughed myself to sleep

woah!

i called her on the phone and she touched herself she touched herself she touched herself she touched herself

i called her on the phone and she touched herself

i laughed myself to sleep
