

Say Hi To Your Mom, Prefers Unhappy Endings

Ties shoes in double knots and prefers unhappy endings.
Dreams of flying over neatly-trimmed landscapes.
Hates the sunlight too.
When boarding airplanes,
takes the aisle and keeps the blanket.

Oh, and it's not for certain but,
I'm pretty sure it won't work out then.
There's only room for one of us in the town,
but we can't go back to the way it was,
so one of us is gonna have to go down.

Has a touch of Tourette's that only comes out in the morning.
Goes gray prematurely and never intends to dye it out.
Hums nonsense but doesn't ever realize it.

Oh, and it's not for certain but,
I'm pretty sure it won't work out then.
There's only room for one of us in the town,
but we can't go back to the way it was,
so one of us is gonna have to go down.

I'm pretty sure it won't work out then.
There's only room for one of us in the town,
but we can't go back to the way it was,
so one of us is gonna have to go down.
