

# Say Hi To Your Mom, These Fangs

Turn away, turn away  
Im not sure  
Id like you to see me this way  
Most days these fangs  
are inside someone  
so you cant see them when,  
when I smile at you  
and I dont mind if you want to hide your fangs too x3

Its okay if you want out  
go find yourself another  
Ill just sit here theres good stuff on the tele  
But no nothing good can ever come from the convergence of two, two dark gloves  
And I dont mind if you want to hide your fangs too x3

And I dont mind if you want to hide your fangs too x3
