

Scabs, Cornbread

Mama got the cornbread
Daddy got the sauce

Daddy wear the pants
But mamma she's the boss

Daddy be up playing with the black cat bone
Leaving poor mama at home all alone

Daddy didn't know it but ol' mama had a plan
She didn't take no shit she got a backdoor man

Backdoor lover come around at night
When mama's daddy out drinking make her feel allright

Giving mama somethin her old daddy never could
Twelve long inches of that Hollywood
