

Scandal'us, Me, Myself And I

You're so sexy, talking smooth
Have no idea that your gonna lose (Darn)
The game you're playing with my mind, not kind
I said, why do you want to treat me like that (No)
(Come tomorrow baby) Come tomorrow baby
(Stay tonight) Stay all night
(I wanna see it move girl) I wanna see it all,
So don't turn out the lights (Oh-no)
Boy, your in for a big surprise, ain't gonna be nice

I'm gonna blow everything you know about
Me Myself and I
I'm gonna break really gonna shake your world
Turn it upside down
I'm gonna make sure that you're on the floor
When the cops all around
No you wont survive
Me Myself and I (I-I)

I'm not crazy, I'm just fine
You might think I'm way out of line
Talking to myself and in my sleep
Baby you've hurt me deeper than deep
(Can't tell you baby) I cant tell you
(No I just can't say) No I can't say
(Just wanna know girl)I just know
I don't wanna be treated this way
Baby you were doin' just fine, then you started playing with
my mind

I'm gonna blow everything you know about
Me Myself and I
I'm gonna break really gonna shake your world
Turn it upside down
I'm gonna make sure that you're on the floor
When the cops all around
No you wont survive
Me Myself and I (I-I)

What I'm about to do (About to do)
Is still in my mind (Is still in my mind)
Will I have the courage, will I find?
The strength to carry on (Strength to carry on)
To respect my needs (to respect my needs)
Not to take you back, everytime you say "Forgive me"

Ohhhhh...

I'm gonna blow everything you know about
(Me, myself and I) Me, myself and I
I'm gonna break really gonna shake your world
(I'm gonna break it I'm gonna shake it) Turn it up side down
I'm gonna sure that your on the floor
When the cops all around
Now you won't survive
Me, myself and...
