

Scarlett Johansson, I'll Shoot The Moon

I'll shoot the moon right out of the sky
For you baby
I'll be the pennies on your eyes
For you baby
I want to take you out to the fair
Here is a red rose ribbon for your hair
I'll shoot the moon right out of the sky
For you baby
I'll shoot the moon for you

A vulture circles over your head
For you baby
I'll be the flowers after you're dead
For you baby
I want to build a nest in your hair
I want to kiss you and never be there
And I'll shoot the moon right out of the sky
For you baby
I'll shoot the moon for you

You know I love you, baby
So why don't you call me?
You know my number
392-7704
Call any time

I'll shoot the moon right out of the sky
For you baby
I'll shoot the moon for you

I'll shoot the moon right out of the sky
For you baby
I'll be the flowers after you're dead
For you baby
I want to build a nest in your hair
I want to kiss you and never be there
I'll shoot the moon right out of the sky
For you baby
I'll shoot the moon for you
