

# Scars On Broadway, Stoner-Hate

Supercalifragilisticexpialidocious  
Is a word to me  
Mamma mia!  
Losing all my patience  
In the hall of fabrications  
It's so easy to say  
Easy to say

When you sing lalalalala  
Stoner hate has got your back  
California has been invaded  
By a hippy psychopath

When you sing lalalalala  
Stoner hate has got your back  
California has been invaded  
By a hippy psychopath

And I'm rude (rude)  
Obnoxious (obnoxious)  
With an intent to kill  
Rude (rude)  
Obnoxious (obnoxious)  
With an intent to kill
