

Scary Kids Scaring Kids, Drowning

Stand up!
You know you have the right too!
Speak out!
For the things you that you believe!
If we let them!
And they will stab you in the back over again
Take your integrity

How long will you let this go on
They're drowning you in fear

Speak up!
Your voice should stand in breaking through
It's time now!
It's gone on way too long
If we let them!
They will tear you into little pieces
I think there is something wrong

How long will you let this go on?
They're drowning you in fear

You're letting your hopes go straight to hell
and I know the end is near (is near)

The time will come
The time will come
The time will come
You will be sorry for what you've done
The time will come

How long will you let this go on?
They're drowning you in fear

You're letting your hopes go straight to hell
And I know the end is near (is near)

You say you're sorry
For what it is worth
