

# Scary Kids Scaring Kids, Sink And Die

So these tears keep falling  
I'm drowning in my very own misery.  
I'm sinking can't you see?  
Standing neck deep in your ridicule.

It's time for one of us to stand up like we said we would.  
You're not of us.  
Of us

Breathing deeply, the saints and the sinners will see the same white light.  
And we do not need to be shy thats right,  
On the best day of our lives.

Now it's time for both of us to stand up like we said we would.  
You're not one of us.  
Of us

And I will get through this,  
Just wait for tomorrow.  
Just wait for the sunrise.  
We should not be shy on the best day of our lives.

So what are we good for now?  
What are we good for then?

Well I stood there, not laughing  
What could be, never happens.  
Why wait here and listen to the sounds that remain in question.

Well I stood there (I stood there), not laughing  
What could be , never happens.  
Why wait here and listen to the sounds that remain in question.

Well I stood there, not laughing  
What could be, never happens.  
Why wait here and listen

What could be never happens!
