

# Scary Kids Scaring Kids, Snake Devil

All systems go  
This one, she's outta control  
She lost her grip  
I think she fell off the edge  
She sinks her teeth in  
There's no letting go  
We've all come to find she's just a snake  
A snake devil

This is not a full discussion  
Now you are a thing of the past  
And I won't live to see the sunrise

She says, "I want you to know, before you let me go  
It's your fault I'm demoralized."  
And I won't let what she says go to my head  
No, not again

Taking over the world, one heart at a time  
She'll chew you up and spit you out like nothing  
Well, it's not her problem  
Well, now we know  
She's nothing more than just a snake  
A snake devil

And I won't live to see the sunrise  
its just a matter of time  
Only a matter of time  
And I won't live to see the sunrise

She says, "I want you to know, before you let me go  
It's your fault I'm demoralized."  
And I won't let what she says go to my head  
No, not again

And I won't live to see the sunrise  
No, I'd rather just die than listen to your lies  
(No, I won't live to see the sunrise)

You've already done the damage  
You are a thing of the past  
She's a snake devil (x4)
