

# Scaterd Few, Bobby's Song

Grandmother's Spaceship  
Grandmother's Spaceship  
Grandmother's Spaceship  
Grandmother's Spaceship

Bobby was a little one who spoke about the time  
That his grandmother was being visited by starmen waiting in the sky  
Who spoke of devistation that would kill our sphere  
But Bobby's family shouldn't fret  
The aliens would rescue all of them from here

Grandmother's Spaceship  
Grandmother's Spaceship  
Grandmother's Spaceship  
Grandmother's Spaceship

Bobby's family went on a shopping spree  
To buy a set of everything from shoes to shirts to pants  
To last the many years in ultraspace  
At last the secret time arrived  
For all of Bobby's kin to meet their saviors  
From the skies to lead them all away

[Bobby:] Grandma, Whats that fire in the sky?  
[Grandma:] Dont be afraid Bobby, they're our friends.  
They've come to help us and they're taking us to a better place.  
[Bobby:] Are we really going away with them, Grandma?  
[Grandma:] Yes we are, bobby. Now take my hand, and don't froget yaur bag.

When you wish upon a star  
You better hope you know who's stars they are  
I wish I may I wish I might  
The foolish wonder on the stars they see tonight

But there are powers in the air  
Celestial bodies everywhere  
Star light, Star so bright  
Are you an angel disguised as light

Oh Universal King  
My love for only you shall bring  
The Light of Truth Eternal upon  
The mysteries found in this song
