

# Scaterd Few, Incorruptible

Come close I'll tell you a mystery  
Some sleep while others will change  
The goal is shedding immortality  
It's not an option and clearly in range

But first you  
Run with purpose  
Don't run aimlessly  
Fighting like one beating the air

Live with vision  
Don't live hopelessly  
Fight as one befitting an heir

You must put on incorruptible  
Without it nothing can change  
Unless you like the inescapable (sleeping fetus)  
While others have changed

But first you  
Run with purpose  
Don't run aimlessly  
Fighting like one beating the air

Live with vision  
Don't live hopelessly  
Fight as one befitting an heir

Run with purpose  
Don't run aimlessly  
Fighting like one beating the air

Live with vision  
Don't live hopelessly  
Fight as one befitting an heir

Death! Where is your sting  
Death! Where is your sting
