

Scaterd Few, Ransom

Peeling off disguise
I view the writing on the wall
B'ra B'rakhah Hashem

Taking steps of mesmerize
By the wayside adulation
B'ra B'rakhah Hashem

Glancing back to justify
Love that blossomed in my eyes
B'ra B'rakhah Hashem

Don't try to hide and wonder why

Contemplation settles down
To exult it's only lonely cry
B'ra B'rakhah Hashem

Allegations mar my time
By the wayside accusations
B'ra B'rakhah Hashem

Indignation emphasized
Like a sulfide in your eyes
B'ra B'rakhah Hashem

Don't try to hide and wonder why
Doing the same old song and dance
"Forget Me Not" and "Say Good-bye's"
An intimate Ransom

Don't try to hide and wonder why
Nothing denied

B'rakhah Hashem

Peeling off disguise
I view the writing on the wall
B'ra B'rakhah Hashem

Glancing back to justify
Love that blossomed in my eyes
B'ra B'rakhah Hashem

Don't try to hide and wonder why
Doing the same old song and dance...
