

# Scaterd Few, Resistance

Here's a reason  
To plead treason  
In the game society

Soft Porn in your advertising  
Kiddy's weaned on sorcery  
Abomination infedels  
Comepeting on my television  
Mediums and divinators  
Telling lies to set me free

Believers - Resistance  
Believers - Resistance

proclaiming "greed is need"  
They scour the land recruiting vessels  
Making them ripe from which to feed  
Slavery in credit unions  
placing trust in RIA's
