

# Scaterd Few, Secret - Secret

You poison mind and eyes with the consumption of  
Some other persons nakedness some other body's shame

Secret - Secret

Allowing lust to rule your members ruins temples (temples temples)  
Self-control thought captivation tames the same

Secret - Secret

So all your downloads eight to five corrupt the man  
And helps them thrive to run their \$13 Billion industry  
You take the bait of UCE's continuing in your Sin Disease  
So unaware that here's your root of misery

Misery

The ALA and CDA are not the ones to hide behind  
Neglecting your responsibilities  
Ignorance can numb the senses needing X's X's X's  
Are you not committing a-dull-tree

So all your downloads eight to five corrupt the man  
And helps them thrive to run their \$13 Billion industry  
You take the bait of UCE's continuing in your Sin Disease  
So unaware that here's your root of misery
