

# Scatterbrain, Big Fun

Hey you! How do you do?  
What's the matter, sleepwalking with out a clue?  
Get real, here's the deal,  
Life's too short-spin the win,  
Kick back, cut yourself some slack  
Fun is what you gotta have or you're gonna crack

Big Fun everyone-Fun job #1  
Dum ditty ditty dum-big big fun  
Dum ditty ditty doe-here we go,  
On your marks, get ready, get set, let's go!  
Get up, get out, get off your shelf-Amuse yourself!

A good time, another stupid rhyme  
Hell-bent on pleasure, that's no crime  
Get wild, act like a child,  
You gotta get loose every once-in-a-while  
Get down, jump around  
Run wild in the streets, all through the town.
