

# Scatterbrain, Don't Call Me Dude

Here's my story, sad but true  
About a girl that I once knew.  
She broke my heart, I became unglued,  
It all started when she called me dude

Well today I leave the psycho ward  
Cause my sentence did conclude:  
I had killed a man with my bare hands  
Because he called me dude

The jury said that I was insane.  
Temporally insane - brain strain.  
But now the doctors say I'm A.O.K.  
So I start my new life today.

This story starts some years ago  
As I vacationed by the sea.  
In the California sunshine  
Just me & my baby.

I was in love feeling sky high  
When a big blonde lifeguard walked by.  
He looked at her, she looked at him -  
I knew it was good bye.

He took her by the hand, kicked sand in my face.  
She looked & laughed & said, "Later Dude!"  
They were gone without a trace  
And the waves echoed her laughter  
And her words...Yo Later Dude.

Later that night I was in such a bad mood  
Sittin' in a bar drinkin' hard, getting stewed  
Thinkin' 'bout that girl & how 'bout I'd been screwed  
When some guy walks in sits next to me & says  
What's up dude!

I heard the word dude & I became unglued.  
Slowly I turned, step by step, inch by inch  
And put my hands around his neck, and I squeezed...

DON'T CALL ME DUDE!

So that's how I got where I am  
But this ain't where it ends.  
The doctors said they cured me  
I said good bye to my crazy friends.

I was smiling as i left that place  
My life had been renewed.  
The guard at the gate, he stamped my pass  
And he said, "Yo Later Dude!"

Slowly I turned...
