

# Scene 23, What She Got

(Oooh yeah)

I had some problems  
And no one could seem to solve them  
But you found the answer  
You told me to take this chance

And learn the ways of love  
My baby  
And all that it has to offer  
In time you will see that love  
Won't let you down  
Oh

You said that you loved me  
And totally came to pass me  
It sounded so convincing  
So I gave it half a chance

And learned the ways of Love (learned the ways of love)  
My baby  
And theres so much love inside me (inside)  
And all that I have I give my all to you

OhOhOhOooh All my love

All this love is waiting for you  
Cause I really love you baby  
Oh I really love you honey  
All this love is waiting for you

I had some problems  
And no one could seem to solve them  
But you found the answer  
And I gave it half the chance

And learned the ways of Love  
My baby  
There is so much love inside me (is so much love inside me)  
And all that I have I give my all to you

Yeah (Yeah.. oooh)

All this love is waiting for you  
My baby My honey

All this love is waiting for you  
My baby My honey

I love how you make me feel this way  
My love for you gets stronger everyday  
My baby  
And All that I put myself through  
I found that all I really needed was you  
My honey

Say you really love me baby  
Say you really love me honey  
Cause I really love you baby  
Oh I really love you honey  
Say you really love me baby  
Say you really love me honey  
Cause I really love you baby  
Oh I really love you honey

(Repeat)

As the sun goes through the sky  
I love you stay near me  
And all the same in the winter  
I need you... please hear me  
All this love  
Is waiting for you
