

# Scene Queen, Pink Hotel

Thank you for choosing to stay at the pink hotel  
I'm your hotel manager, Scene Queen  
You can check your bags in over here  
And you can check in your panties and leave them at the door

Room service!  
I always deliver  
I don't eat in bed unless it's my girl for dinner  
I got her yelling  
"oh god"  
like it's scripture  
Another church girl that I turned to a stripper

Room service!  
I know you didn't order  
But everybody gets it, I don't let them cut the corners,  
On this floor the room your in is my new house of horrors  
And I can't let you leave without some cock and ball torture

I put the ho in hotel  
You're tryna ride up and down  
With this bombshell  
Try to climb the stairs  
I'll kick you down with my stiletto,  
My rates are going up  
That's why you can't get on my level
