

# Schaeffer, Tell You, I

She says, I have to get this out.

You may not be able to hear, but hear me out.

This may not change, but baby I've changed. Watching you here, I have to say

We know this won't last forever so I'll hold you. I'll hold you now.

We know this won't last forever so I'll tell you I love you now.

With a breath she puts her hand in his and rests her head.

But a squeeze brings her back again, and with a smile she says
