

Scheer, Demon

Take me, dance for me.

Think I'll put you with my demons,
Think I'll nail you to the floor,
I've been watching you for seasons,
I've been watching you too long.

Take me, dance for me.
It's broken, Ahah
See inside me what you have stolen.
Ah ah

If I stayed here any longer,
I'd be drowning in your arms,
I'd be wrapped around your fingers
I would die, die.

Take me, dance for me.
It's broken, See inside,
See inside me what you have stolen,
Ah ah,
It's broken,
See inside me what you have stolen,
Ah ah,
See inside me what you have stolen,
Ah, ah, it's broken
See inside
Ahahahah
